

Welcome to ICOPACK GROUP

About Us

We have the pleasure to introduce our group of companies (Icopack, Egywrap and Copack) to you.

We have started our business with ICOPACK company in 1990 as the pioneer in the field of BOPP films production in the Middle East . and in 2005 , we became a group of three companies " Icopack (New line 2012)& Copack (2005) & Egywrap (2000) " .

Our Group has moved through numerous stages from its beginning. growth ,and expansion .

Today the Group is expanding into global markets ,with a clear vision , dynamic and well trained team and professionals of management . the Group has managed to have a firm ground in this business in Egypt and in the Middle East as will as Europe , USA and all over the world.

As a market oriented , the Group is being focused on total customers' satisfaction , guided by quality ,creative solutions , and never ending search for better ways to serve our clients

All companies are producing full range of BOPP films including Transparent, Milky white, Pearlized, Metalized, Fast film, adhesive Tape base films, Tobacco over wrapping films, special films for Rose and Plain films of different thicknesses. Films can be delivered in form of reels and sheets. All our grades are exposed to highest level of quality control.

Our Group is holding BRC/ IOP Certificate & ISO Certificate& OHSAS Certificate, and our products are approved by Pira institute in UK for safe contact to food.

We do export to Europe (Italy, Poland, Spain, Turkey , Ukraine, U.K., Belgium, Bulgaria ,Russia ,Greece, Romania and Cyprus),& USA ,and also to most of the Middle Eastern countries and Africa.

Thank you
